United States Department of State

Washington, D.C. 20520

MAR 14 2011

Dear Mr. Chairman:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement to include the export of defense articles, to include technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense articles, including technical data, and defense services to Singapore related to the sale of one G550 aircraft modified with a military TACAN beacon system and an AN/ARC-210 VHF/UHF radio for end use by the government of Singapore.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Miguel E. Rodriguez
Acting Assistant Secretary
